RESEARCH INTERESTS

Economic Policy · Public Economics · Financial Deregulation · Welfare Economics · Income and Wealth Inequality

EDUCATION

The London School of Economics and Political Science (LSE) 2023–25

MPA in Economic Policy (Double Degree) – *Distinction* (70%)

- Dissertation (*Distinction*): ‘Britain’s 1986 Big Bang: how State-led financial deregulation durably boosted inequality and hampered long-term economic welfare in the UK’, supervised by Prof Richard Davies.
- Capstone Project (*Distinction*): ‘[Is Britain’s Financial Sector Too Large?](#)’, prepared for the Financial Conduct Authority
- Modules: Public Economics, Advanced Empirical Methods, Intensive Mathematics & Statistics, Growth Diagnostics.

Sciences Po Paris 2023–25

MPP in Public Administration (Double Degree) – 73.9% (GPA 3.67)

- Modules: Public Law (*Class Valedictorian*), Economic Policy (*Class Salutatorian*), Public Economics, Public Finance

University College London (UCL) 2019–23

BA European Social and Political Studies in Economics (Dual Degree) – *First-Class Honours* (71.08%)

- Dissertation (*First-Class Honours*): ‘Britain’s shift towards financial capitalism: how financialisation is altering individual economic behaviour, paving the way for a new regime of risk-taking growth’, supervised by Dr Asma Benhenda
- Modules: Microeconomics, Macroeconomics, Economic History, Economics of Development, Rethinking Capitalism

Sciences Po Paris 2019–23

BA Undergraduate College in Economics and Society (Dual Degree) – 74.4% (GPA 4.0)

- Modules: Core Economics, Microeconomics, Econometrics, Advanced Mathematics, Advanced Statistics, Sociology

PUBLICATIONS

‘[Improving Productivity Measurement in the UK Financial Services Sector](#)’ (with A. Correa-Jimenez, R. Davies, C. Gonzales-Berrocal, S. Iyer, and R. Siddique), *LSE School of Public Policy Publications* (2025)

‘[Britain’s Shift towards Financial Capitalism: How Financialisation Is Altering Individual Economic Behaviour, Paving the Way for a New Regime of Risk-Taking-Driven Growth in the United Kingdom](#)’, *UCL Journal of Economics*, Volume 3(1) (2024)

WORKING PAPERS

‘[Britain’s 1986 Big Bang: How State-Led Financial Deregulation Durably Boosted Inequality and Hampered Long-Term Economic Welfare in the UK](#)’, *MPA Dissertation* (submitted for publication, under review) (2025)

AWARDS

[Financial Conduct Authority Economic Research Competition Award](#) co-recipient (Harvard–LSE Growth Lab) – £30K 2025

RESEARCH EXPERIENCE

European Central Bank (ECB), DG Research Sept 2025–Present

Research Assistant, Financial Research Division *Frankfurt, DE*

- Designed and maintained proprietary monetary (MFI Interest Rates), financial (MFI Balance Sheet Items), and regulatory (European Banking Authority) databases using advanced SQL programming
- Performed microeconomic analyses, created data visualisations, and developed statistical data procedures using STATA and Python programming to support DG Research publications
- Collaborated with ECB economists on policy research (digital banking and AI, sovereign debt yields, HF trading)

Harvard–LSE Growth Lab Oct 2024–Aug 2025

Research Assistant *London, GB*

- Co-authored an 80-page report on ‘Improving productivity measurement in the UK financial services sector’, after securing and being awarded funding from the Financial Conduct Authority’s Economic Research Competition
- Co-authored a 200-page ‘UK Growth Diagnostics’ report identifying binding constraints to UK growth, specialising in financial constraints (shadow price of finance, access to savings, financial intermediation and macro risks)
- Co-authored an 80-page ‘Ukraine Diaspora Engagement and Returnees’ Policy’ report funded by the Open Society Foundations, exploring how migration (return and diaspora engagement) can support Ukraine’s post-war recovery
- Data sorting and cleaning (STATA, Excel), and data visualisation using JSON programming (VegaLite)

Financial Conduct Authority (FCA)	Oct 2024–Apr 2025
Graduate Research Consultant	<i>London, GB</i>
- Co-authored a 15,000-word report on ‘Is Britain’s Financial Sector Too Large?’, commissioned by the FCA for LSE’s MPA Capstone Project, assessing whether there exists a U-shaped relationship between finance and growth - Run a cross-country panel regression of GDP per capita growth on multiple indicators of financial development (private credit to GDP, share of financial employment), using STATA programming (based on World Bank Data) - Visualised findings using non-parametric LOESS curves (Locally Estimated Scatterplot Smoothing) to avoid rigid functional assumptions imposed in quadratic forms (using JSON programming) - Presented findings and policy recommendations to the FCA’s Economic Research Team	

Ecole Normale Supérieure (ENS–PSL), Department of Chemistry	May 2021–Sept 2021
Research Assistant & Project Officer	<i>Paris, FR</i>
- Organised the Network of Excellence in Porous Solids International Congress in June 2021, collaborating with 35 world-leading professors and speakers over a two-day event that welcomed over 150 participants - Co-authored the laboratory’s 30-page Annual Report, incorporating key statistics and outreach data - Facilitated four 4-hour communication masterclass sessions for doctoral and postdoctoral researchers	

TEACHING EXPERIENCE

French Bacculaureate Economics Private Tutor (<i>French Lycée Charles de Gaulle, Self-employed</i>)	2021–Present
Undergraduate Dissertation Research Design & Quantitative Methods Private Tutor (<i>UCL, Self-employed</i>)	2025
French Civil Service Fast-track Private English Tutor (<i>Institut National du Service Public, Self-employed</i>)	2024-25

RELATED PROFESSIONAL EXPERIENCE

Confederation of European Yeast Producers (COFALEC)	Sept 2023–July 2024
Public Affairs Officer & Lobbying Assistant	<i>Paris, FR</i>
- Conducted an in-depth mapping of the European Parliament June 2024 renewal, and drafted a 60-page Vision Paper sent to over 60 newly elected MEPs for advocacy purposes - Monitored over 40 EU Green Deal legislations and ongoing procedures, assessing their concrete applications to the European yeast market and delivering key findings to monthly Environment and Regulatory Committees - Drafted and published a monthly literature review on recent yeast sector news and scientific breakthroughs - Formulated an amendment for the French Budget Act on tax incentives on renewable energy use for transport	

Embassy of France in the United Kingdom, Secretariat General	May–Sept 2022
Summer Analyst	<i>London, GB</i>
- Conducted a comprehensive audit of the Embassy’s budget allocation policy over the past decade, to assess the efficiency of outsourced facility management contracts, presented to the Embassy Secretary General - Performed an in-depth market study and issued a call-for-tenders for facility contractors, conducting over 20 selection interviews with candidates, reviewing quotations and assessing specifications - Interviewed over 10 other embassies in London to benchmark contract types, price ranges, service-level agreements, difficulties and best practices to inform better contracts management decisions	

CERTIFICATIONS

LSE School of Public Policy Professional Skills Accelerator Certificate	2025
---	------
