RESEARCH INTERESTS

Economic Policy · Public Economics · Financial Deregulation · Welfare Economics · Income and Wealth Inequality

EDUCATION

The London School of Economics and Political Science (LSE) 2023–25

MPA in Economic Policy (Double Degree) – *Distinction*

- Dissertation (*Distinction*): ‘Britain’s 1986 Big Bang: how State-led financial deregulation durably boosted inequality and hampered long-term economic welfare in the UK’, supervised by Prof Richard Davies
- Capstone Project (*Distinction*): ‘Is Britain’s Financial Sector Too Large?’, prepared for the Financial Conduct Authority
- Modules: Public Economics, Advanced Empirical Methods, Intensive Mathematics & Statistics, Growth Diagnostics

Sciences Po Paris 2023–25

MPP in Public Administration (Double Degree) – 14.78/20 (73.9%)

- Modules: Public Law (*Class Valedictorian*), Economic Policy (*Class Salutatorian*), Public Economics, Public Finance

University College London (UCL) 2019–23

BA European Social and Political Studies in Economics (Dual Degree) – *First-Class Honours* (71.08%)

- Dissertation (*First-Class Honours*): ‘Britain’s shift towards financial capitalism: how financialisation is altering individual economic behaviour, paving the way for a new regime of risk-taking growth’, supervised by Dr Asma Benhenda
- Modules: Microeconomics, Macroeconomics, Economic History, Economics of Development, Rethinking Capitalism

Sciences Po Paris 2019–23

BA Undergraduate College in Economics and Society (Dual Degree) – 14.887/20 (74.4%)

- Modules: Core Economics, Microeconomics, Econometrics, Advanced Mathematics, Advanced Statistics, Sociology

PUBLICATIONS

‘Improving Productivity Measurement in the UK Financial Services Sector’ (with A. Correa-Jimenez, R. Davies, C. Gonzales-Berrocal, S. Iyer, and R. Siddique), *LSE School of Public Policy Publications* (2025)

‘Britain’s Shift towards Financial Capitalism: How Financialisation Is Altering Individual Economic Behaviour, Paving the Way for a New Regime of Risk-Taking-Driven Growth in the United Kingdom’, *UCL Journal of Economics*, Volume 3 (2024)

WORKING PAPERS

‘Britain’s 1986 Big Bang: How State-Led Financial Deregulation Durably Boosted Inequality and Hampered Long-Term Economic Welfare in the UK’, *Postgraduate Dissertation* (submitted for publication, under review) (2025)

PRESENTATIONS

‘Improving Productivity Measurement in UK Financial Services’ (contributed), *FCA Insight and Ideas Showcase – Inaugural Economic Growth Research Competition*, The London School of Economics and Political Science (June 2025)

‘Is Britain’s Financial Sector Too Large?’ (co-presented), Financial Conduct Authority Economics Department (April 2025)

RESEARCH EXPERIENCE

European Central Bank (ECB), DG Research Sept 2025–Present

Predoctoral Research Assistant, Financial Research Division Frankfurt, DE

- Preparing a research presentation by Drs. K. Nikolov and S. Corradin to the ECB’s Executive Board (including President Christine Lagarde, Philip Lane, and Isabel Schnabel) on financial bubbles and technological revolutions, leveraging granular stock data and financial market statistics to assess the potential existence of an AI-driven bubble
- Collaborating with Drs. P. Hoffmann, F. Barbiero, and G. Schepens on research paper examining banks’ adoption of AI tools and their impact on costs, pricing, and fraud, applying difference-in-differences econometric methods
- Designed and maintained proprietary monetary, financial, and regulatory micro-datasets using advanced SQL programming; conducted microeconometric analyses, statistical procedures, and data visualisations using STATA and Python to examine Euroarea financial institutions’ balance sheets, based on research presented at the ECB’s Annual Research Conference

Harvard–LSE Growth Lab Oct 2024–Aug 2025

Research Assistant London, GB

- Co-authored an 80-page report on ‘Improving Productivity Measurement in the UK Financial Services Sector’, funded by the Financial Conduct Authority, integrating quantitative analysis and stakeholder interviews to examine limitations of existing metrics, sector-specific productivity challenges, and regulatory impacts on aggregate growth

- Contributed to a 100-page report on ‘[Ukraine Diaspora Engagement and Returnees’ Policy](#)’, funded by the Open Society Foundations, analysing strategies for Ukraine’s post-war recovery through diaspora engagement, leveraging survey data, case studies, and stakeholder consultations to address human capital shortages caused by displacement
- Contributed to a 200-page ‘UK Growth Diagnostics’ report identifying binding constraints to UK growth, with a focus on finance constraints through quantitative analysis of shadow prices of finance, savings access, and macroeconomic risks
- Helped secure funding by preparing a successful application to the FCA’s inaugural Economic Research Competition
- Processed and cleaned large datasets (STATA, Excel) and developed interactive data visualisations (JSON-VegaLite)

Financial Conduct Authority (FCA)

Oct 2024–Apr 2025

Graduate Research Consultant

London, GB

- Co-authored an 80-page report, ‘[Is Britain’s Financial Sector Too Large?](#)’, commissioned by the FCA for LSE’s MPA Capstone Project, assessing whether there exists a U-shaped growth-maximising size of the financial sector
- Replicated and extended findings from Cecchetti & Kharroubi (2012) by running cross-country panel regressions of GDP per capita growth on multiple financial development indicators using STATA and World Bank data
- Visualised results using non-parametric curves (using JSON programming) and presented empirical findings and policy recommendations to the FCA’s Economic Research Team

Ecole Normale Supérieure (ENS–PSL), Department of Chemistry

May 2021–Sept 2021

Research Assistant & Project Officer

Paris, FR

- Organised the *Network of Excellence in Porous Solids International Congress* in June 2021, collaborating with 35 world-leading chemistry professors and speakers over a two-day event that welcomed over 150 participants
- Co-authored the laboratory’s 30-page Annual Report, incorporating key research statistics and outreach data
- Facilitated four 4-hour communication masterclass sessions for doctoral and postdoctoral researchers at the ENS

AWARDS

[Financial Conduct Authority Economic Research Competition Award](#) (co-recipient, Harvard–LSE Growth Lab), £30K 2025

TEACHING EXPERIENCE

French Baccalaureate Economics Private Tutor (*French Lycée Charles de Gaulle, Self-employed*) 2021–Present

Undergraduate Dissertation Research Design & Quantitative Methods Private Tutor (*UCL, Self-employed*) 2025

French Civil Service Fast-track Private English Tutor (*Institut National du Service Public, Self-employed*) 2024–25

RELATED PROFESSIONAL EXPERIENCE

Confederation of European Yeast Producers (COFALEC)

Sept 2023–July 2024

Public Affairs Officer & Lobbying Assistant

Paris, FR

- Mapped the June 2024 European Parliament renewal and authored a [60-page Vision Paper](#) distributed to 60+ MEPs
- Monitored 40+ EU Green Deal for yeast market implications and reporting findings to monthly regulatory committees
- Published monthly literature reviews on sector news and scientific developments
- Drafted an amendment to the French Budget Act on renewable energy tax incentives for transportation

Embassy of France in the United Kingdom, Secretariat General

May–Sept 2022

Summer Analyst

London, GB

- Conducted a comprehensive audit of the Embassy’s budget allocation policy over the past decade, to assess the efficiency of outsourced facility management contracts, and presented findings to the Secretary General
- Led a market study and call-for-tenders, conducting 20+ contractor interviews and reviewing bids and specifications
- Benchmarked procurement practices by interviewing 10+ London embassies on pricing, SLAs, and best practices

COMMUNITY INVOLVEMENT

Student Academic Representative (*LSE School of Public Policy Double Degrees*) 2024–25

President (*Sciences Po International Students Union – Melting Potes*) 2020–21

Chief Communications Officer (*Sciences Po Students Union – Bureau des Elèves*) 2020–21

Volunteer History of Arts Teacher (*Souffleurs de Sens – Groupe SOS*) 2019–20
